Looking for even more reasons to attend this year's DIA Biosimilars Conference? Hear from **Hillel Cohen, PhD, Executive Director of Scientific Affairs at Sandoz** and Program Committee Co-Chair about why you can't afford to miss this year's meeting.

We'll give you the inside track on who will be speaking, highlights of the most highly-anticipated sessions, plus information on other ways you can engage to enhance your conference experience, both before and after the event.

(Make sure you watch to the end to learn more about special pricing and available group rate discounts)
